Notice that the red fields are required.

The section 'Name Information' refers to the student.

The PSN is the last 5 digits of the student's SSN that the school has on file.

Click Submit to go to the next screen.

The Login you create will be the *username* for when you login.

The Password will be your login password.

The screenshot shows the 'New User Registration' page. At the top left is the 'Parent's Communication Center' logo. At the top right are the 'ED GEAR' logo and the 'D.O.E. TOPS Website' logo. The main heading is 'New User Registration'. Below it is the instruction: 'Please select a username and password to use to access your student's information.' The form contains several fields: 'Login (6-20 characters)', 'Password (6-20 characters)', and 'Re-type Password'. There are two 'Select secret question' dropdown menus with corresponding answer fields. The first question is 'What is your mother's maiden name?' and the second is 'What is your favorite color?'. At the bottom of the form are 'Submit' and 'Reset' buttons. A navigation bar at the very bottom contains links for 'Exit Web', 'Logout', 'Terms', and 'Help'. Annotations include arrows pointing from the text above to the 'Login' and 'Password' fields, ovals around the secret question fields, and a dashed circle around the 'Submit' button.

Choose the 2 secret questions and give an answer for each. This will help you later in case you forget your password.

Click Submit to finish.

The web address for Union Parish JPWEB is <http://jpams.unionpsd.org/jpweb>.
